Terms of use

Version 1, published 2026-10-08. Source: https://afgfinance.app/terms

These terms apply when you use this website. By using it, you agree to them. If you do not agree, please do not use the site.

What this website does

This website explains our retail installment contracts, lets you check your options and apply, and lets customers manage their contracts. Nothing on this website is an offer of credit. Whether we can offer you a contract, and on what terms, depends on your application and our review, and a person on our team reviews every application before a contract is offered.

Your account

Keep your sign-in details private and tell us right away if you think someone else has used your account. You are responsible for activity in your account unless the law says otherwise.

Accurate information

Information you give us must be true and complete. Giving false information to obtain credit can be a crime.

Acceptable use

Do not use this website to break the law, interfere with its operation or security, get into accounts or information that are not yours, or collect information about other people who use it.

Your contract controls

If you sign a retail installment contract, the contract sets out your rights and obligations. If anything on this website conflicts with your contract, your contract controls.

Disputes

Disputes about a contract are handled as that contract provides. If you are a covered borrower under the Military Lending Act, no arbitration clause applies to you. See Military Lending Act.

Ownership

The content and design of this website belong to us or our licensors. You may print or download pages for your own use.

Website availability

We work to keep this website accurate and available, but we cannot promise it will always be available or free of errors. To the extent the law allows, we are not responsible for losses caused by interruptions, errors, or delays on the website. Nothing in these terms limits rights you have under consumer protection laws.

Governing law

These terms are governed by federal law and the laws of the State of Texas.

Changes to these terms

We may update these terms. The version number and publication date of the current terms appear in the PDF version of this page.
